SILVER STATE SPINECARE OPENED ITS DOORS IN SPARKS
Bringing a non-operative breath of fresh air to back and neck pain patients

(SPARKS, December 14, 2005) - Silver State Spinecare opened its doors on November 4, 2005 at 1055 Roberta Lane at the corner of Pyramid and McCarran behind Starbucks and the Raley's shopping center in Sparks. Serving residents of Sparks and surrounding areas as a non-operative back and neck pain and Carpal Tunnel Syndrome center, Silver State Spinecare may be just what the doctor ordered.

Lead by physiatrist Forest Burke, MD, Silver State Spinecare treats patients seeking relief from back pain, neck pain and Carpal Tunnel Syndrome. Among these non-operative techniques will be EMG Nerve Testing, CTS Grading, Spinal Injections, Carpal Tunnel Injections, and Home Exercise Programs.

"The new Silver State Spinecare office will give back and neck pain patients as well as Carpal Tunnel Syndrome patients more non-surgical alternatives," said Dr. Burke. "I work with my patients to make sure all appropriate, non-operative treatments have been tried before referring them to a surgeon."

Dr. Burke is a Reno-Sparks area native and specializes in back and neck pain; Trigger Point Injections and Spinal Injections. He also specializes in EMG Nerve Testing for Carpal Tunnel Syndrome, a common nerve problem which causes numbness and pain in the hands. He returned home to start his practice in 1999, where he lives with his wife and two children.

Silver State Spinecare, lead by physiatrist Forrest Burke MD, is focused on providing **"Proven Solutions with a Gentle Touch."**™ Specializing in non-operative evaluation and treatments of back and neck pain, along with Carpal Tunnel Syndrome, Silver State
